Subject: Technical Verification Vebko Relay Tester

Dear Sir,

Following Tavanir Co. letter no. 11/1388 dated 30 June 2012 and Electrical Grid Management Co. letter no. 1000/24402 dated 29 Oct. 2016 to regional power generation and distribution companies on introduction and technical verification of a relay tester (the enclosed document), you are hereby informed of the portable tester developed and commercialized by Amirkabir University and the affiliated knowledge enterprise

company (Amirkabir Vebko). The tester equipment is capable of running tests on a wide range of protective relays, some CT, PT, CVT, disconnectors as well as power switches.

The tester is also technically verified by this undersecretary.

Kind Regards,

Abdorasol Pishahang, Production Strategic Undersecretary [*Signed*]
